MEMORANDUM FOR THE RECORD

SUBJECT: Legislative Matters

1. On this date, I met with Admiral Taylor and Colonel White for the weekly discussion of legislative business.
2. I mentioned that the Rodino bill, which had been scheduled to be reported last week, will not be reported until next month.
3. I showed the letter from Representative Porter Hardy to the Director to the DDCI indicating that the Director had asked Mr. Proctor and myself to determine precisely what was needed.
4. Discussed S. 1035 and reviewed the list of action. It was agreed that there should be some adjustments in the text. Also, it was agreed that we would prepare a detailed letter to Chairman Mahon and Chairman Rivers explaining the reasons for our concern with the bill.
5. It was agreed that there was not time to discuss the CIA legislation. This will be the principle item for the next meeting.
6. Discussed the question of rendering assistance to the Library of Congress by Mr. Morell and his people. This is a continuation of the previous cooperation by the Agency with the Library of Congress for eventual publication by the Joint Economic Committee. It was indicated that the initial proposal for current assistance would only include listing the Agency in the Foreword among other agencies as having contributed or no attribution whatsoever. It was agreed that Mr. Morell would discuss this in greater detail with Colonel White. I was requested to bring this to Mr. Morell's attention.
